OFFICE OF PETITIONS

My name is Paul Corrado and I own the Patent numbered # 5731655 Application No. 08/614,212. I would like a chance at reinstating my patent. I unavoidably could not pay the fees in March because of financial responsibility with my mortgage and taxes on the house including living expenses. March is a bad time because taxes are due on the house and it is after the holidays. Please help me reinstate my patent and avoid the penalties. I will soon start up a small business selling this product and do need my patent protection. I really hope you can help me. I had spent so much money through the years on this patent including research and development on this spark plug. You can go to www.sparkforce360.com for more information on the project. I have not been selling yet, but have started to work towards putting this together, and then with some help reinstating the patent again, I can move forward. Please see the attached paperwork of the bills and copies at the time the fees were due. I had no extra money to pay the fees because of all my bills were due.

THANK YOU: PAUL A. CORRADO
